

Collective Awareness Platform for Tropospheric Ozone Pollution  
**Questionnaire for CAPTOR Hosts II**

Dear CAPTOR Host,

Thanks for supporting us this summer with the hosting of one of our CAPTORs! We have distributed a questionnaire to you, when we first installed the CAPTOR in your house, and would now kindly ask for your feedback again. Your response helps us to better understand, in how far the project could fulfil your expectations and how your involvement was useful for yourself.

Could you please take three minutes of your time to fill in this questionnaire?

We guarantee you, that the participation in this survey is completely anonymous and on a voluntary basis. There are no personal data collected, analysed or handed over to third parties.

When you fill in the questionnaire, we would kindly ask you to fill in all questions honestly – **as there are no „right“ or „wrong“ questions.** All additional remarks and comments from you are very helpful for us.
